For half a century, Winart has been a symbol of design, quality and reliability.

For 50 years, we have enriched living spaces with elegance, creating lasting value through refined details and thoughtful craftsmanship.

From our very first day, we have believed that true design lies in the details. Guided by this philosophy, we have combined innovative thinking with meticulous production standards to deliver products that stand the test of time. Each Winart piece is not merely an accessory, but a reflection of aesthetic balance, functionality and enduring quality.

Over the years, we have continuously evolved embracing new technologies, refining our processes, and responding to the changing needs of modern living. Yet, our commitment to excellence, authenticity and design integrity has always remained unchanged.

As we celebrate our 50th anniversary, we look to the future with confidence and inspiration. Drawing strength from our heritage, we continue to shape tomorrow with creativity, precision and elegance.

We extend our heartfelt thanks to our valued partners, dedicated team members, and everyone who has trusted Winart throughout this remarkable journey.

TOTEM explores the power of repetition, rhythm, and sculptural form. Inspired by contemporary art and primitive symbols, the collection transforms simple geometric volumes into bold architectural accents.

Through spheres, grooves, and balanced proportions, each piece becomes a quiet object of presence minimal in form, yet rich in character.
